## SPIN DOME TRIMMER

- Certified Safety Guarding
- One button unjamming
- Electric height adjustment
- Scrap collection chute

The Spin Dome Trimmer is a cutting-edge solution designed to meet your trimming needs with precision and efficiency. This state-of-the-art trimmer is equipped with a range of features that ensure safety, convenience, and performance. The Certified Safety Guarding ensures safe operation, while the Electric Height Adjust provides easy customization for various applications. The One Button Unjamming feature ensures smooth operation, and the Heated Blade guarantees precise cuts every time.

In addition to these highlighted features, the Spin Dome Trimmer also boasts a Removable Blade Cover for easy maintenance, a Fully Openable Guard for seamless installation on existing conveyors, Wheels with Leveling Feet for mobility and stability, and a Scrap Collection Chute for efficient waste management. To further enhance its functionality, the Spin Dome Trimmer offers options for an Integrated Conveyor, with or without vacuum. Experience the difference with the Spin Dome Trimmer, where innovation meets functionality.

### Specifications
